Following 8 years of working in the family business as head of sales and operations, I have decided to pursue my passion and shift my career to Cyber Security. I am a second-year student in The Academic College of Tel Aviv Yafo, majoring in information systems and cyber security. In addition, I am currently employed in a student position in the National Cyber Array, and looking for a more challenging student position in the Cyber Security Industry

Education

2021-Current The Academic College of Tel-Aviv Yafo- 2nd year- Information Systems and Cyber Security. Coding knowledge- JAVA and C++

Business Experience

- 2014-2022 Head of Sales and Operations- Mizrahi Distribution LTD**
- Led the company sales and operation team
 - Identified new leads, partnerships, revenue streams, and worked towards maximizing the business potential from every vertical
 - Hitting yearly goals year over year and managed to grow the business by 20% in the last 2 years
 - Managed all the operational aspects of post sales service
 - The job required multitasking and working under pressure to align with business goals and customer expectations

Army Service

2008-2011 Squad Sergeant – Baha”d 1 - During my duty service, I charge of all logistics, operations, and internal affairs of the Officers Training in Baha”d 1.

Languages: Hebrew- Native, English- high level of proficiency
