About Me

My name is Amit Shervy, 26 years old from Bat Hefer.
I am a 4th year industrial and management student, eager to find my first job as a project manager, product manager.
Self-motivated, team player with strong organizational and interpersonal skills. Always looking to learn new skills, take on additional responsibilities and grow professionally.
Strong human relations, high work ethic, high analytical ability and well organized.
In the army I was a course instructor in the technology and maintenance corps. Building a weekly/monthly/yearly schedule.
Command and training of soldiers, a team of about 40 people.
I volunteered for two years at Magan David Adom, I dealt with situations of stress, danger and saving lives.
In addition, I volunteered for two years in a youth movement as a young guide.
