PROFILE

I am a creative director and editor my short film "the artichoke season" was premiered in TriBeCa film festival in 2022. And I am currently working on my first feature film and was selected to the women film lab for the new fund of cinema in Israel. My focus is to create unique frames with meticulous art and styling. I worked as freelancer editor director and art director and producer for brands as Fashion week, KETER, PERFACE, HUAWEI, CITIZEN CAFÉ and more.
