ABOUT ME

Daniel Lipsey, 35 years old, married +3, loves challenges, design, and problem-solving.

A people person.

WORK EXPERIENCE

INDUSTRIAL DESIGNER

COOOL AIR DESIGN - STUDIO

2022- 2023

Industrial designer in the field of air conditioning accessories, responsible for the development and design of products for ACP I COOOL companies, including OMER air duct, an innovative modular air duct that is in the process of registering a global patent.

As part of my role, I was responsible for improving the company's existing products, finding innovative raw materials, implementing technologies, defining, building prototypes, and providing assembly instructions, as well as design.

NETWORK TECHNICIAN

CELLCOM

2020- 2022

REAL ESTATE AGENT

RE/MAX

2017- 2020
