## ABOUT

I am Aviv Turgeman, a Practical Software Engineer graduate with distinction. I am highly motivated to learn new skills and advance in the software industry, aspiring to tackle new challenges. I excel in team environments, meet deadlines, and perform well under pressure. I am looking for a full-time position in Software\Full Stack Development.

## SKILLS

- ◆ **Front End Development:** HTML, CSS, JavaScript, TypeScript, React (Hooks), Redux, React Native, Next.js, Angular, Bootstrap, Tailwind.
- ◆ **Back End Development:** C# (OOP), Python, Java, Node.js, Express, ASP.NET,
- ◆ **Databases:** MongoDB, MySQL, SQL Server.
- ◆ **Courses:** Linux, QA.
- ◆ **Tools:** VS Code, Postman, Jira, GitHub.

## PROJECTS

### Speed Camera App

I developed an application from scratch for speed camera detection. The system is based on routing, where as the user approaches a speed camera based on their current location, the application sends real-time alerts. In this project, I accessed information about camera locations through an external API. The application was developed using React Native on the client side and Node.js on the server side.

 Client side - [Link to GitHub](#)  
 Server side - [Link to GitHub](#)

### Weather App

I developed a website from scratch for weather forecasting that allows users to receive real-time weather information for any location worldwide. The site was built using React, utilizing React Lazy for performance improvement along with Redux for managing data between components, and integrates with an external API to fetch weather data.

## EDUCATION

OCT 2020 - OCT 2022

**Practical Software Engineer** - *College of Technology - Nof Hagalil*

Receipt of Certificate of Excellence.

DEC 2021 - JUN 2022

**CCNA** - *Cisco*

SEP 2012 - JUN 2015

**High School Diploma** - *Ort, Migdal HaEmek*

Specialization in the design arts

## MILITARY SERVICE

MER 2016 - NOV 2018

**General worker** - *kitchen*

## EXPERIENCE

DEC 2018 - OCT 2020

**Sector Manager - Production Department**, *Maytronics - Kibbutz Yizrael*

Workshops and trainings making, Manage team members, Work under stress.

## LANGUAGES

Hebrew - Native • English - Advanced.
