VICTORIA GORDEEVA
TEL AVIV/WORLDWIDE

Video content for brands, fashion, products, modeling agencies, cosmetics, jewelry, food, sport. Work in large productions with a creative team.

Video production / Video content of various types:

Advertising, tutorials, lives, interview, video for Instagram, Tik Tok, YouTube, Snapchat

Knowledge of the programs

Photoshop, After Effect, Da Vinci Resolve, Blender, MAYA, Spark AR, Cinema 4D and other essential programs to create amazing video content.

Knowledge of video marketing. Video Content is created based on Video marketing, catchy, engaging videos that hold the audience's attention and encourage a purchase.

To gain new experience, new ideas, I take part in constant creative projects (TFP) in a team of professional photographers, modeling agencies, make-up artists, stylists, like **Tzahi Vazana, Felix Stein, Tmima Abrams, Yoni Amar**

I am finishing my studies on the **Video Fashion Workshop course** from the famous photographer **Ron Kedmi**, in a creative team that gives new opportunities for prosperity and knowledge to its students. I got a huge breakthrough in the field of fashion video and I am already applying new knowledge in creating video content for brands of cosmetics, clothing.
