Profile:
I am a dedicated Full Stack Developer with an exceptional work ethic and a strong track record of solving complex problems and meeting stringent deadlines. Highly skilled in navigating challenging environments, I bring a unique combination of analytical ability, logical thinking, and creativity. My commitment to excellence is evident in every project, ensuring timely and effective solutions. Renowned for outstanding communication skills, I excel in collaborating with both development teams and clients to achieve shared goals. Eager to join a dynamic team where I can contribute my expertise and continue to grow professionally.

Experience:
Full Stack Developer, Weunica (Wix Partner)
April 2023 - April 2024

- Led end-to-end development of web projects and applications, starting from client engagement for requirement gathering, through system analysis and characterization.
