Profile

I am pursuing a Bachelor of Science (B.Sc.) in Computer Science at 'The Open University of Israel'.
I'm passionate about problem - solving, Full Stack programming, and exploring new technlogies.
Looking to be part of a dynamic company, as a Software Developer or Software Engineer.

Education

B.Sc. in Computer Science,
The Open University of Israel
2020 – present
Theoretical and practical knowledge of algorithms, data structures, and programming languages, including a solid
understanding of object-oriented programming, design patterns, and multi-threaded programming.

High School, Ohel Shem
2011 – 2015
Graduated with high honors; Completed a Computer Science stream.

Projects

Assembly Project, C ↗
The project writes an assembler/compiler for a custom assembly language and converts it into machine language. It involves processing assembly code, generating machine code, and handling various directives and instructions.

Traffic Light, Java, JavaFXML ↗
The project creates traffic light animation using multi-threaded programming and java & javaFXML technology.

Military Service

Israel Air Force, Technician
2015 – 2019
High responsibility and fast work under intensive pressure, including challenging various assignments.
Commander - commander of a technical section within the unit.

Community Involvement

Volunteer at Yigal Alon school, Providing help and instructing youth struggling children during classroom sessions.

Skills

Programming Languages (Java, HTML & CSS & JavaScript, C, SQL)

IDEs: (IntelliJ IDEA, Visual Studio Code, CLion)

Tools: (Linux, Git & GitHub)

Personal (Team player, Open minded, Self-learner, Creative thinker, Self-motivated)

Languages

Hebrew   ● ● ● ● ●
